

"Adams Keegan allows us to focus on guest satisfaction. Their HR technology, hospitality experience, and scalable system make us more efficient. They understand ROI and risk management. That makes them a great partner."

- PRESIDENT, NATIONAL HOTEL MANAGEMENT OPERATOR

HOSPITALITY OPERATIONS MEET INTEGRATED HR SOLUTIONS

We understand the hotel and hospitality business and know that guest satisfaction depends on employee satisfaction. Managing employee administrative duties can distract your team from delivering the kind of experience that ensures guest satisfaction.

We know how to fix that.

We are at your service.

## Fewer Burdens, More Bandwidth

Adams Keegan provides best-in-class service to the hotel management and hospitality industry with a proven "technology-plus-people" approach. The complicated business of running a hotel with its many moving parts makes having a seamless working environment crucial. With our support, your HR team can focus on helping your employees bring the best service for your guests. Our services include:

- Fully integrated HRIS functionality with single sign-on
- Digital solutions for paperless hiring and employee records, integrated timekeeping, and 24/7 access to critical HR functionality
- Automated payroll and robust reporting solutions that integrate seamlessly with M3<sup>\*</sup> and other hospitality-related accounting systems
- Hospitality recruiting solutions for corporate management, general manager, director of sales, food & beverage, housekeeping, and more
- Reduced risk and improved compliance with proven HR practices, benefits administration, and federal benefit reporting requirements
- 24/7 employee access to HR, benefits, vacation, and payrollrelated functionality
